☆
GLENN K. RIETH
Brigadier General
The Adjutant General

_____ has acquired ownership of:
Name of Owner

_____ at the following location(s):
Name of Institution

The new owner assures: _____ Effective date of change: _____

(f)(1)(i) He/she has acquired operational management and/or control of the proprietary educational institution and its facilities.

(g) The faculty, student body, and courses are substantially the same following the change of ownership as defined below.

Faculty:

(1) The faculty who teach a majority of the courses after the change of ownership, were so employed by the educational institution before the change of ownership.

(2)(i) The faculty use the same instructional methods during the term, quarter, or semester after the change of ownership that were used before the change of ownership.

Courses:

(2)(ii) The courses offered after the change of ownership lead to the same educational objectives as did the courses offered before the change of ownership.

Student Body:

(3) The student body remains substantially the same except for those students who have graduated, and/or a majority of the students enrolled in the educational institution on the last day of classes are also enrolled in the educational institution following the change of ownership.
